DALY CITY, SAN MATEO CO UNTY, CALIFORNIA, Published Thursday THURSDAY, AUGUST 13, 1942 VOLUME 38, NUMBER 27

WARNS PUBLIC TO GET LIGHTS OUT WITHIN WEEK

"One more week we have to get those lights out, and then the army is really going to clamp down," said Civilian Defense Chief Arthur J. Bodien, Monday, as he warned Daly City merchants and residents alike to comply immediately with Lieutenant General John L. DeWitt's proclamation for a Pacific coast semi-blackout.

Thursday, August 20, is the deadline for the following lights to be out: commercial floodlighting, signs and display lighting, ground areas and industrial illumination, traffic signs and signals, and navigation lights and signals.

But General DeWitt's orders didn't stop there for Daly City and other points on the Pacific seaboard which are visible from the sea It also requires motorists to dim out or turn off the headlights of the car, using only the parking lights. It requires Daly City homes which have windows visible from the sea to shade those windows.

Bodien again warned Daly City residents of the serious penalty for violating any of the rules in the proclamation. Exclusion from the territory of the Western Defense Command is the penalty for any person failing to comply with these dimout rules.

"I know there are many in this community who will have to make certain arrangements to be able to turn off their lights," Bodien said, "and I advise them to get busy."

After a canvass of many business houses and other places

To Hold Inquest In McMillan Death

Inquest of the death of Mrs. Mary Gerstenberg McMillan, 6283A Mission street, will be held today in San Francisco Her death a week ago followed injuries sustained when she was struck by an automobile in Daly City.

Mrs. McMillan was hit by an automobile driven by John D. Daly, San Francisco, in front of 6273 Mission street, early Sunday morning, August 2, as she crossed the street.

No charges against Daly have yet been filed, pending the inquest today. Police Chief James G. Reardon, of the Daly City

Robber Steals $360 From Dr. Wm. Lynch

Theft of $360 in currency from the home of Dr. William C. Lynch, 101 Wellington avenue, was reported to Daly City police shortly after midnight, Sunday

Investigating the robbery in Dr. Lynch's home, Officers Henry Sundermann jr. and Joseph Kusber found that the building

Board Sends Thirty Draftees In Monday

Among thirty new draftees from the Daly City Draft Board No. 103 to be inducted into the army, Monday, in San Francisco, only four are from Daly City, and one is from Colma.

The four Daly City selectees who are scheduled to join the army with this group are Walter England, 499 Templeton avenue; James Ward jr., 275 Willits street; Richard Randall Viele, 2832 San Jose avenue; and Harold Melvin Robb, 1234 Brunswick street.

Richard Francis Horkey is the lone selectee from the Colma district.

The first group to be inducted from the local board during August, the contingent of thirty will meet at the city hall Saturday at 2 p. m. for a pre-induction meeting. At that time they will receive final instructions from Dr. J. C. McGovern, chairman of the draft board, and Mrs. Isabelle Flynn, chief clerk.

From South San Francisco, the following men will be inducted:

Appoint Barsi To Colma Council

Appointment of Peter Barsi as a new member of the town council in Colma incorporated, Monday, followed the resignation of Councilman W. A. Newall.

Barsi was sworn in by City Clerk E. A. Weisenburger at Monday's meeting, and the new member occupied the chair vacated by Councilman Newall.

Seeking financial aid from other sources benefitted by the proposed project to control flood waters and debris in Colma incorporated, the town council, for the second successive meeting, discussed plans for construction of a storm drain under the Southern Pacific Railway tracks

Construction of the storm drain would include the installation of a two foot concrete pipe from the Southern Pacific tracks to the Colma Drainage channel. The flood waters and debris flows over

Thirteen Become American Citizens

Seven foreign born residents of Daly City and six from Colma were among 148 county residents who became American citizens in the superior court during a period from July 28 to August 4.

Examinations for the applicants were conducted in Superior Judge Maxwell McNutt's court.

In Daly City the following persons were admitted to citizenship: Camilla Rizzi, Lottie Williams, Maria S. Corsiglia, Egidio Baccelli, Raffaele A Carboni, Margaret K. Darragh, and Marianna Fontana.

Colma applicants who became citizens were: Caterina Garibaldi, Albina Anna Rosa Ottoboni, Sesto Rossi, Giuseppe Sasso, John Dobko, and Joseph Lembi.

Lions Enjoy Festive Ladies Night Event

More than seventy guests attended the dinner dance, last night, at Ye Old Colonial Inn in the festive Ladies Night event of the Daly City-Colma Lions club.

Ladies and members alike enjoyed a full evening of entertainment presented in true Lion style. Choice menus of chicken or ham steaks were offered, and dinner was followed by dancing in the colorful setting of the Inn.

Speaker of the evening was a distinguished and well-known guest, Congressman Jack Z. Anderson, who is currently on a naval inspection tour of the West coast. A member of the Naval Affairs committee, Anderson gave an informative and interesting talk on the operation of the navy.

The Ladies Night is an occasion enjoyed many times throughout the year by members and their ladies.

Drop Murder Charges Against George Pavlos

Because of insufficient evidence, the murder charge against George Pavlos, local restaurant employee, was dismissed in the superior court in Redwood City, last week.

Now clear of all accusations in the case, Pavlos was set free after three months spent in custody. Deputy District Attorney Burress Karmel forwarded the motion in court which freed Pavlos, declaring that there was not enough evidence in the case to present to a jury.

The defendant had been charged with the murder of Robert Darnell, tenant in a Daly City apartment house. Darnell was killed by a bullet through the head on the morning of Sunday, April 26. Daly City police arrested Pavlos, and he has been in the custody of the sheriff's office in Redwood City since the date of the shooting.

Their Names Made News This Week--

Congressman John Z. (Jack) Anderson, who addressed the Daly City-Colma Lions club at their "Ladies Night", last evening at Ye Olde Colonial Inn.

Lloyd E. Stone, one of the first young men to volunteer from this area in 1940, has just been appointed staff sergeant, technician, at Camp White in Oregon. Stone is the husband of one of the Record's most popular employees, Mrs. Lloyd Stone, formerly Genevieve Price.

Vernon Winston Blair, former Daly City resident, has been ordered to the U. S. Naval Air station, Corpus Christi, Texas, for final indoctrination as a Naval aviator.

Smith Brothers Volunteer For Duty

Two more instructors at Jefferson Union high school entered the service of the United States Army, Saturday, as Edgar and Arthur Smith departed for Denver, Colorado, to enroll in the Army Air Corps photography school at Lowry Field.

The two brothers taught at the local high school for the past two years, and, in that time, became popular with students and faculty members alike. Edgar taught biology at the high school, while Arthur taught photography, English, and physical geography.

Among the many activities for students sponsored by the two teachers were the Naturalist So-

(Continued on Page 2)

Here Comes The Parade!

Preliminary plans for Daly City's mammoth Civilian Defense Day Parade, September 13, will be made, Sunday, at the city hall.

Mayor A. J. Gaggero and the city council asked that all heads of service organizations be present at this important meeting, Sunday at 11 a. m. in the city hall.

FIRE INSURANCE RATES MAY BE REDUCED HERE

Fire insurance rates are expected to be reduced in Daly City, it was revealed at the Monday meeting of the city council. The announcement was made following approval of fire prevention conditions here by Lawrence Bush, chief engineer of the Board of Fire Underwriters after a survey.

The letter of approval from the chief engineer was among the communications to the city council at Monday's meeting. Arthur J. Bodien, city building inspector, told members of the council that Bush had verbally approved local fire prevention conditions as being excellent, and that formal approval, necessary in rate reductions would follow.

Reporting on a meeting with the San Mateo county Board of Supervisors and the Peninsula division of the League of California Cities, Councilman John J. Fahey, advised other members that efforts to acquire the cities' share of the one quarter cent gas tax money from the county had failed. Robert A. Klassen, city engineer and a member of the Peninsula division, also attended the meeting. Klassen, activating efforts on the part of Peninsula cities, voiced opinion to the council that the only way it would probably be acquired would be through state legislation.

A motion passed at the meeting

(Continued on Page 5)

Daly City Lags In Drive For Metal

Citing again the need for every citizen of this community to find scrap metal in their homes and garages and give it to the Salvage for Victory campaign, R. L. Crane jr., salvage chairman, reported meager results during the past week of the drive.

Continued apathy to the drive, and virtually to the reason for the drive — the steel shortage which is hindering United States war production—is apparent by the few bits of scrap turned in at the local scrap depot on Mission street, across the street from the Daly City treatre. An old automobile fender here, and part of the framework of another there, donated by a faithful few is the extent of Daly City's scrap metal salvage drive to date, a drive that is supposed to be the largest of the entire war effort.

"We have been credited with about a half a ton of scrap metal

(Continued on Page 7)

Better Hurry--- Earn That Sticker

Although many Daly City homes have been issued "I am Prepared" window stickers following inspection by air raid wardens in their blocks, Chief Air Raid Warden Harry Melicker declared that there are still a large number of homes unprepared.

To prepare your home, according to OCD rules, for an enemy air raid, the following tools are needed: rake, shovel, two buckets of sand, and garden hose.

"It is simple enough to get these tools and keep them ready for immediate use," said Melicker, "and I would like to see every home in this community with a sticker in the window."

Home Front Has Important Job Too!

Just as our dive bombers go into action on an enemy troop transport in Pacific waters at a command from their squadron leader, so our home front must respond to the command for more war materials.

In the tin drive, the command has been given, and Sunday is the day. All those tin cans you are saving go out on the street corner nearest your home, Sunday, and they will be picked up by the city truck and transported to a national defense plant.

The pickup time in Daly City is the first and third Sunday of every month. R. L. Crane jr., chairman of the Salvage for Victory committee, again informed local donors that the Daly City pickup time was not the same as San Francisco's. If you live in Daly City, your cans will be picked up on the first and third

(Continued on Page 3)

Local Firemen To Donate Blood

In answer to the urgent call for more blood donations at the San Mateo County Blood Bank, 72 regular firemen of the Daly City department will donate a pint of blood each, it was announced, yesterday, by A. H. Sundstrom, Company 4, fireman in charge of blood procurement.

Eight regulars and two auxiliaries from Company 4 have already made donations at the bank, and nine more from Company 1 are scheduled to donate, Wednesday.

Sundstrom's project is serving a double purpose for procuring blood for transfusions. In addition to donating to the county bank, Sundstrom is having the blood of all the local firemen typed. A duplicate of the type of each fireman will be sent to him, and a file system will be set up here for each type. In this manner the right

Legion Extends Drive For Records

To enable all communities participating in the "Records for Our Fighting Men" drive to reach their individual quotas, the national drive for old, broken, or cracked phonograph records was extended to Monday, August 31, it has been announced by A. G. K. Jakobsen, Daly City chairman.

Originally scheduled to end Sunday, the campaign is expected to be expanded considerably by the extra two weeks. Both Jakobsen and Mrs. Marce Trier, co-chairman in Daly City, urged all phonograph owners to deposit their old records at local grocery stores.

USO leaders were emphatic in informing donors that the old

Summer Cafeteria To Close Tomorrow

After a successful summer of serving nourishing hot lunches each day to the children of Daly City, Mrs. Grace Nelson and her staff of cooks at Jefferson Union high school cafeteria will end the summer lunch program, tomorrow.

For the second year the lunch program has met with mounting

(Continued on Page 5)

Moe Plansky Trains Day-Time Wardens

When Daly City was placed on a 24 hour air raid warden protection basis, two months ago, with the installation of the day warden service, Arthur H. Quirmbach, chief warden at the time, turned the job of leading day wardens over to Moe Plansky, an active civilian defense volunteer.

Since that time Plansky, who also sees action as a regular night warden in sector 14, has seen to it that every day warden began basic training to meet the requirements of the Office of Civilian Defense in Washington. There is a compact determination in the forces of the day wardens to keep in step with the activities of night wardens.

Composed for the most part of women, the day wardens are subject to call in case enemy planes strike in a daylight raid. When night wardens go to work at their daytime jobs, the day wardens go on duty.

All are participating in first aid classes to be credited with 20

(Continued on Page 2)

Margie Eldridge Claimed at Altar

Before a blue and white flower-decked altar, Miss Margie Eldridge exchanged wedding vows with Stephen Passifiume jr., Saturday. Miss Eldridge was given in marriage by her father, Charles Eldridge, 523 Bellevue avenue.

The 7 p. m rites were performed by Reverend A. Evann Danks, at Grace Presbyterian church.

The bride was beautifully gowned in a white satin and lace, New York creation, bridal dress. French bridal veiling was attached to her head with a coronet of pearls. She carried a bridal spray of white snap dragons and gardenias.

Mrs. Margaret Savercool, cousin to the groom, was matron of honor. She wore a teal blue net gown White gardenias were pinned in her hair and she carried a spray bouquet of white snapdragons and orchid sweet peas.

Miss Helen Eldridge, attended her sister as bridesmaid. She wore a pastel blue taffeta gown. Her bouquet was of white snapdragons.

Attending the groom were Kenneth Eldridge, brother of the bride, as best man, and Robert Passafiume, as usher.

Following the ceremony a private dinner was held, in Colma, for members of the bridal party and family.

The newly-weds are now making their home at 56 Los Olivos avenue.

The groom's parents, Mr. and Mrs Stephen Passafiume sr., presented the bride with her first orchid corsage, which she wore to the dinner.

Mrs. Orvilla D. Pauw sang several selections. She was accompanied by Miss Mildred Hanson.

Smith Brothers

(Continued from Page 1)

ciety and Photography clubs, which they organized. They were both noted for the interesting field trips for students which they planned in pursuit of these studies.

Last meeting of the two clubs was held, Friday evening, when Jefferson students were introduced to the new biology and photography teacher, John Harville. He was educated at San Jose State college and Stanford university. Before his arrival at Jefferson, Harville taught in Los Angeles

Local Firemen To Donate Blood

(Continued from Page 1)

type of blood can quickly be obtained here if an emergency occurs where blood transfusions are necessary.

Meanwhile, Mrs. Catherine Foreman, local blood bank chairman, announced that any persons who wished to donate could do so by calling her at Randolph 10376.

Moe Plansky Trains Day-Time Wardens

(Continued from Page 1)

hours of first aid, necessary to obtain a civilian defense certificate. Other classes which they will complete to become certified wardens are three hours of fire defense, five hours of gas defense, and five hours of general civilian defense training.

Day wardens are on duty in 22 sectors of Daly City. Each sector is led by a sector warden. Following are sector wardens in each division: Mrs. L. Clement, Sector 1; Mrs. E. Norton, Sector 2; Mrs. Anna Peters, Sector 3; Frank Krieger, Sector 4; Mrs. Gieseker, Sector 5; Mrs. Raymond Freeman, Sector 6; Mrs. Henrietta Mather, Sector 7; Mrs. M. Parodi, Sector 8; Verne Boynton, Sector 9; F. Fields, Sector 10; Mrs. Jean Dotson, Sector 11; Mrs. Lillian Orner, Sector 12; Mrs. Jewel Vahle, Sector 13; Mrs. Betty Brush, Sector 14; Mrs. Louise Smedley, Sector 15; Elwyn Smith, Sector 16; Mrs. Charles Weckerle, Sector 17; Mrs. Eva Page, Sector 18; Mrs. M. Wilkes, Sector 19; Ed Trier, Sector 20 and 23 (combined); H. Capps, Sector 21; and Mrs. Stanghellini, Sector 22.

Wasted money is wasted lives. Don't waste precious lives. Every dollar you can spare should be used to buy War Bonds. Buy your ten percent every pay day.

High School Burglar Asks For Probation

Whether or not Joseph E. Gonsalves, Oakland burglar who broke into Jefferson Union high school, last month, is to be placed on probation is expected to be decided by the superior court, Tuesday.

Gonsalves entered a plea of guilty to a charge of second degree burglary, in court last week, and asked for probation. The court continued the case two weeks to investigate his request.

The defendant also pled guilty to the charges in a preliminary hearing in Daly City court, following his arrest at the high school by local police.

Appoint Barsi To Colma Council

(Continued from Page 1)

properties owned by Holy Cross Cemetery and Cypress Lawn Cemetery, and the improvement on the drainage system would eliminate the hazard.

No decision has yet been reached by the council on starting the project. Cost of it has been estimated at $3270 by the Ward Survey company. Consensus of opinion of the board was that the city should not be held responsible for financing the project without aid from others involved in the work. The two cemeteries affected by the excess water and San Mateo county were considered by the board to be under obligation to aid in financing the $3270 project.

Purchase of a new electric siren was made by the city for greater civilian protection against enemy air raids. The purchase followed a motion by Councilman Mattrup Jensen. Cost of the siren is $435 and the freight rate made the total cost $508

Staven Aroy Ramirez, Louis Eugene Pastrone, Maurice O'Brien, John Blair Baker, John William Bruce, Frank Harold Steele jr., Gregory Antunano jr., Richard Bolleri, Pietro Masciovecchi, Oliver Lewis Gagliani, Allen Peter Petersen, Juan Fidel Arroyuelo, and Dario Rivera Bustamantes.

Others who will be inducted from the local board are: Carl Jens Paulsen, San Francisco; Henry Stephen O'Hara, San Francisco; Bert Strong, Pittsburg; Loren August Macaire, San Francisco; William Cline, 220 Sierra Point road; Louis Allan Childers, San Francisco; Clyde Henry Cuslidge, Brisbane; Silvio Papini, San Francisco; Gerald Benson Ward, Brisbane; Charles Elmer Miller, Vallejo; Everette Jacob Strauch, Los Angeles, and Emil Fackler, Brisbane.

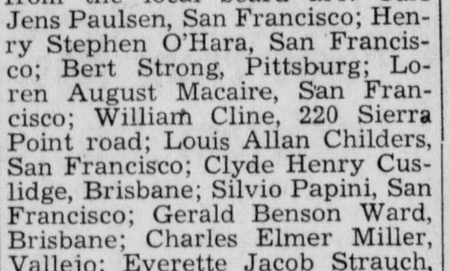
COLMA TO GET ELECTRIC SIREN

To summon civilian defense workers of the town of Colma to duty in case of a blackout or air raid, a brand new electric siren, capable of making "plenty of noise when needed," will be installed in the next three weeks. It was purchased by the town council, Monday.

The new siren is being acquired on the recommendation of John H. Price, director of Colma's civilian defense, who acclaimed the new siren as the ideal signal for Colma's emergency service, following a thorough study of vari-

(Continued on Page 5)

Vacation Spot



"A swell place to vacation if you want to have a real time," says Jimmie Schultz, of the Stone House, pictured above, now managed by Lee Jorgensen.

Located two miles out of Quincy, the Stone House is known to be one of the most popular vacation spots in that area. Schultz returned from a recent trip, having spent a few days at the inn. Jorgensen is well known in Daly City, having managed the Hilltop Lodge here.

JOAN BENNETT and FRANCHOT TONE are co-starred at the Daly City theatre in Columbia's delightful "The Wife Takes a Flyer," fun-filled fable of an RAF ace who lands in occupied territory and finds the arms of its loveliest occupant also occupied! Allyn Joslyn heads the featured supporting cast.

Navy Seeks Doctors

There are many fields of civilian endeavor from which the Navy draws its personnel, some better known than others. Trained men in civil engineering, construction, high frequency radio, and other classifications who can pass the qualifying examinations are sought by the Navy to become officers in their respective fields. One of these fields is medicine.

A call has now been sent out for specialists in the Navy Medical Corps, including pediatricians and many other branches of the medical profession. A special procurement office supervised by Lieutenant Commander L. L. Stanley, Medical Corps, USNR is available in Room 306 in the Central Tower building, 703 Market street, San Francisco.

Along with the call for these physicians, the Navy is also calling for Navy Nurses for the Reserve Nurse Corps. Full information for applicants is available at the same location.

Ten per cent of your income in War Bonds will help to build the planes and tanks that will insure defeat of Hitler and his Axis partners.

A Real Tribute -

CARL VINSON
6TH DISTRICT GEORGIA

Congress of the United States
House of Representatives
Washington, D.C.

July 23, 1942.

Hon. John Z. Anderson,
House of Representatives,
Washington, D. C.

Dear Mr. Anderson:

With the recessing of Congress in the making, I want to take this opportunity to thank you for the valuable aid and assistance that you have rendered during this session of Congress as a member of the Naval Affairs Committee.

No doubt you are aware of the fact that the Committee has passed fifty-two bills through the House involving authorizations of over seventeen billion dollars. As a matter of fact, our committee has presented to the House more bills than any of the other major committees of Congress. In addition thereto, we have carried on an investigation and been instrumental in bringing about renegotiations of contracts and accomplishing a saving to the government of over seven hundred million dollars and have passed through the House a bill to prohibit sales engineers or sales agents of manufacturers from getting commissions on government contracts. In other words, with your aid and assistance, we have broken up the racket of contingent fees to these sales agents who have been fleecing the taxpayers.

You have been most regular in attendance at all committee meetings and have supported every Navy Department bill which has been before the committee. You have the satisfaction of knowing that you have done your full part in the war effort.

On the numerous occasions that I have designated you to make inspection of important naval activities, you have measured up to my highest expectations.

Not only have you supported all the naval bills which have come before the committee, but you have supported the administration's foreign policy in its entirety. You have constantly been on the job, and there is no member of the committee that I have relied upon more than you for your sound judgment and assistance.

Sincerely yours,

Carl Vinson, Chairman
Naval Affairs Committee.

Carl Vinson is one of the Administration's Leadets in the House of Representatives. His letter to your Congressman is indisputable evidence of the efficiency, co-operation and high type of representation which the Eighth Congressional District must maintain.

RE-ELECT

JOHN Z. (JACK) ANDERSON

AT THE

PRIMARY, TUESDAY AUG. 25

REPRESENTS ALL THE PEOPLE

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

Examine the front tires on your car regularly for signs of uneven wear, advises the California State Automobile association. Misaligned wheels are the most common cause of such wear.

Water Consumed by Camel

A camel can take a load of water amounting to as much as 15 or 20 gallons at one time.

Sundays. If they are put out for collection on the day desiginated for San Francisco, they are liable to stay on the corner all week. The city truck was required to make a pickup, Monday, although it was not the regular pickup day.

The committee also urged that tin cans be prepared in the following manner:

1. Cut the top and bottom of the can so that the flaps can be bent into the can.
2. Wash the can thoroughly by running water through it.
3. Flatten the can by stepping on it.
4. Place all the flattened cans in a box and deposit it on the street corner, Sunday.

Harry Gilmore Takes Over Management

Harry Gilmore, well-known resident of Daly City for the past four years, announced, this week, that he has taken over the management of Townsend's Inn, 6456 Mission street. The night spot will now be known as Gilmore's Inn.

Gilmore has been employed there during his residence in this community. He has also been employed as head bartender at Seal's stadium, San Francisco ball park, and the Opera House in San Francisco. He owns his home in Daly City.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

LIGHTS OUT

(Continued from Page 1)

where lighting will be extinguished, Bodien reported that the response was 100 per cent co-operative. He said that everyone who was approached was very eager to comply with the army proclamation.

Posters of the rules of the proclamation are being distributed around the city by air raid wardens. Many copies have already been posted on public bulletin boards

In explaining the order as it applies to motorists who drive on streets and highways visible from the sea, Bodien said that the lights must be dimmed to 250 beam candlepower regardless of the direction of travel. The old rule didn't apply to driving away from the shore, he added.

Dimout rules for motorists are effective now and the following set of rules were submitted:

1. Use parking lights when driving near the ocean, regardless of the direction of travel.
2. Drive carefully, and reduce speed so that you can stop your car within the distance that you can see ahead.
3. Be careful of pedestrians crossing the streets.
4 If you are a pedestrian, wear or carry something white.

To Hold Inquest

(Continued from Page 1)

Police department, who investigated the accident, explained that inquest is being conducted in San Francisco since her death occurred at St. Mary's hospital in that city.

A resident of Daly City for the past thirty years, Mrs McMillan was the wife of Walter McMillan and the motner of two sons, Charles and John Gerstenberg. She is also survived by four brothers, Frank, William, Thomes and Peter, and two sisters, Martha and Isabella.

Funeral services were held at the W. C. Lasswell company chapel, Saturday, followed by mass at Our Lady of Perpetual Help church. Interment was in Holy Cross cemetery.

ELECTRIC SIREN

(Continued from Page 2)

ous types of sirens.

Faced with a problem of not being able to hear sirens in all parts of the community due to the geographic location, Colma officials tried out many sirens before making their choice. Price explained that, because of the great number of tall trees and because of the widespread area of the town, many sirens and other types of signals, could not be heard in certain parts of the town.

The new siren is electrically operated, 7½ horsepower, and is of the latest vertical sound type. The machine is manufactured in Chicago, and a representative of the manufacturer advised town officials they could expect delivery in three weeks. The siren is priced at $435

Bradford Welsh, assistant director of civilian defense in Colma, appealed to the council at their meeting, Monday, to act on Price's recommendation.

Fire Insurance

(Continued from Page 1)

authorized the leasing of one acre of porperty to the federal government. This property is being used by the army.

One hundred per cent attendance was assured by city councilmen who plan to attend the meeting of the Peninsula division, League of California Cities, to be held in San Jose, Thursday, August 20.

Klassen advised the council that an order by the state railroad commission approved the construction of a proposed Hillside boulevard grade crossing leading from Daly City to Junipero Serra boulevard. However, Klassen added that it was now necessary to obtain permission to close the grade crossing that exists at San Mateo avenue.

A motion of the council authorized a light to be installed at the Garden Lane entrance on Junipero Serra boulevard.

Two salary changes were made at the meeting: Mrs. Lucille Cook, employee of the Water department, was raised from $150 monthly to $160; Mrs. Alice Braumoeller, city clerk's office, was raised from $6 daily to $6.80.

Legion Extends Drive For Records

(Continued from Page 1)

records are not used for the phonographs and juke boxes at service camps. The reason for collecting these old records is so that they can be melted and the material used to manufacture brand new records of modern music.

Sponsoring the drive here are Daly City Unit No. 410, American Legion auxiliary and Daly City Post No. 410, American Legion.

Jakobsen, in making appeal locally, also added that the music from these records, made possible by your donations, are further appreciated by our soldiers and sailors stationed where radios are prohibited. If your supply of records is to heavy to carry to the grocery store, call Jakobsen at Randolph 6895, and he will pick them up.

Summer Cafeteria

(Continued from Page 1)

success and has helped to keep the children well nourished during the summer months of vacation. The program has been cosponsored by the Surplus Marketing administration and Jefferson Union high school. The lunches have been served at the nominal charge of five cents.

Every day after a morning of strenuous play, children filed into the summer cafeteria and enjoyed the well cooked meals, consisting of plenty of fresh vegetables from the high school victory garden.

The program also proved, especially this year, to be a boon to mothers, busy with other pressing needs. They could be confident that their children were being well fed at the cafeteria—these mothers who were busy with infants, other children or war work.

Daly City Trains, Auxiliary Policemen, Firemen For Emergency

Increased fire and police protection personnel, to be called to duty in case of a major emergency in Daly City, is being trained each week under civilian defense supervision, it was announced this week by Fire Chief A. P. Chesney and Police Chief James G. Reardon.

In eight police districts of the city, 180 auxiliary police officers are being groomed for duty by regular police officers. They are being instructed in drawing police lines at scenes of disaster, controlling traffic of emergency vehicles in a blackout, and stopping unnecessary traffic in a blackout.

Old apparatus of the Daly City Fire department was turned over to auxiliary firemen for use in drills, which are being held weekly. In some groups, the drills are being held twice a week, Chief Chesney said.

Supervising captains are executing the practice sessions in each company for auxiliary men. Following are the supervising captains in each company: Larry Shaw, Company 1; Bill Webb, Company 2; Johnny Ferro, Company 3; Fred Mather, Company 4; Pete Bordson, Company 5; and George Ferretti, Company 6.

Blair Completes Flight Instruction

Having completed his primary flight instruction at the U. S. Naval Reserve Aviation Base at Oakland airport, Vernon Winston Blair, who formerly lived at 171 Los Olivos avenue, Daly City, has been ordered to the U. S. Naval Air Station, Corpus Christi, Texas, for final indoctrination as a Naval Aviator.

The young man is the son of Leslie M. Blair. Prior to joining the service he attended the University of Oklahoma where he was a member of the baseball team.

At Corpus Christi Blair attains the rank of a full-fledged Naval Aviation Cadet. Upon successful completion of the program several months hence he will be commissioned an ensign in the U. S. Naval Reserve or a second lieutenant in the Marine Corps Reserve.

Class V-5, Naval Aviation is open to high school graduates between 18 and 26 years of age, inclusive. The Naval Aviation Cadet Selection Board, Ferry building, San Francisco, or any U. S. Navy Recruiting station will furnish full particulars.

Robber Steals $360

(Continued from Page 1)

had been entered from the front door on the Irvington street side with a key. The key was left in the lock, and apparently the door had not been tampered in any other way.

Police further found that the thief had gone straight to Dr. Lynch's bedroom, and had taken a metal box from the shelf of the clothes closet. The lock on the metal box had been pried off and $360 in currency taken. The box was left, and bonds and other valuable papers were untouched.

Officers found a glove on the stairway on the way downstairs The metal box which contained the cash is being examined for fingerprints by the local police.

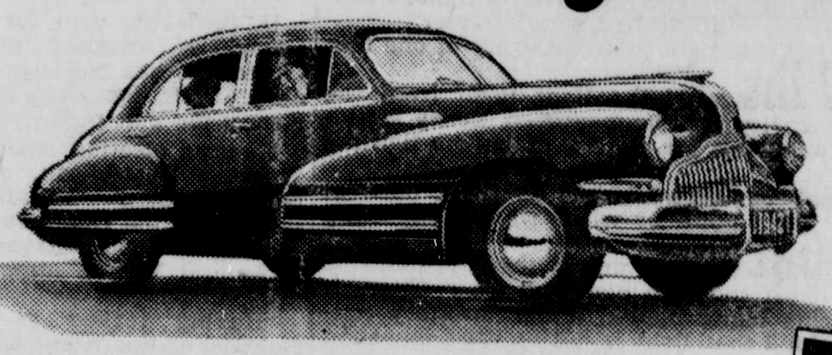
Got the need? We've got the cars!



Rationing Rules were not Meant to Prevent Replacement of Cars which are Really Needed. It Sometimes Helps More to Replace that Old Car than to Try to Keep it Running.

CONSIDER the reasons for present rules and regulations governing the purchase of new cars.

They were *not* meant to handicap owners whose cars fill necessary purposes.

They were simply meant to see that cars now built and ready for sale got into the hands of those who needed them—*as their needs demanded.*

If your car serves a really necessary purpose, Buick dealers are prepared to make immediate delivery on brand-new, gas-thrifty, dependable new models *built for the purpose of seeing you through the duration.*

With such a car, you travel safely, make best use of gasoline and oil, start fresh with brand-new tires on wheels designed to get maximum life from them. For dependable performance of necessary jobs, such a car is frequently far more of an asset to the country than one which has passed its prime.

Why not drop in on your Buick dealer and talk over all details of the whole situation?

Are you included in this list?

- ARE YOU directly or indirectly engaged in the production of war materials or the prosecution of the war?
- ARE YOU a physician, surgeon, nurse, veterinarian, clergyman or farmer?
- DO YOU use your car in public service, such as fire or police, public health, highway maintenance work or the like?
- ARE YOU owner of a taxicab or other vital means of public transportation?
- ARE YOU a newspaper wholesaler, or a salesman in essential fields connected with war work?
- THESE ARE the broad groups who are eligible under present rationing rules to buy new automobiles. There are other details of eligibility, of course, but if you are included in the above, it will pay you to see your Buick dealer now and get full information. Get the facts before you assume either that you can't or shouldn't buy a new car now!

If you're eligible to buy—
Better Buy Buick!

How The New Semi-Blackout Will Affect You--Questions and Answers

Attached are a series of questions and answers for the householder and for the motorist to assist him in solving problems which arise in connection with compliance with Proclamation No. 10.

The questions and answers were prepared by technicians of the Office of Civilian Defense, Ninth Civilian Defense Region, San Francisco.

ANSWERS FOR THE HOUSEHOLDER

Q. Does the new proclamation mean a blackout every night?
A. No. The regulations do not require all of the features of a blackout. They do, however, require that signs and bright exterior illumination be extinguished.
Q. Do I have to pull down the shades in my house every night?
A. Only if you have windows from which the sea may be viewed. Windows visible from the sea must be shaded at night.
Q. Are lighted driveways permitted?
A. Surely. The lights should be shielded, however, so that no light is emitted upward from them.
Q. Our house and many of its windows are visible from the sea. We have venetian blinds on these windows. Are these sufficient to obscure the light as required by the proclamation?
A. Yes, venetian blinds are all right, provided they are kept tightly closed at night. When they are closed, the vanes should point downward to the outside, so that light from inside the house is not emitted upward.
Q. We have a light at the door of our garage. Is it necessary to extinguish it for the duration of the war?
A. No. But it is necessary to shield it so that no light goes skyward. In most ordinary instances no lamp larger than 50 watts should be used in such locations.
Q. What does one foot candle mean?
A. The light intensity at a distance of one foot from a lighted candle. This is measured with an ordinary foot candle meter.
Q. What lamp must I buy to provide light to an intensity of one foot candle—how many watts?
A. This will depend on the distance of the light itself from the ground where the light intensity is to be measured. Every householder will have to determine this for himself or have a lighting specialist decide it for him.
Q. How about my porch light—is it permissible to let it burn at night when we are away from home or when we are expecting guests?
A. No light should be left lighted at night unless there is someone on the premises to turn it off should a blackout occur. There is no objection to porch lights being lighted under ordinary conditions if they are so shielded that light is not emitted upwards. The lamp should not be larger than 50 watts. In most cases a smaller lamp will suffice.
Q. Can we use the garbage incinerator at night?
A. No. This burning should be done in the morning.
Q. What about the barbecue pit—is it permissible to use it at night?
A. The object of the proclamation is to keep light from the sky. The glow of embers in a small barbecue pit is not objectionable, but flames are. Shields can be arranged to prevent the firelight from going upward—then the barbecue may be safely used.
Q. There are large lights at the entrance of our apartment house. What do we have to do about this type of lighting?
A. The owner of the apartment house will probably have to reduce the size of the lamps and shield them so that no light goes upward.
Q. Is there any restriction on the use of flashlights outdoors at night?
A. Yes. The use of flashlights is forbidden in locations which are visible from the sea. In all other parts of the Zone of Restricted Lighting they should always be pointed down when lighted. If flashlights are excessively bright, their intensity may be reduced by a thickness of paper behind the lens.
Q. I am a householder. I have taken all the precautions necessary for my house. But the store across the street has not turned out his electric sign. What should I do about him?
A. You do nothing. Your air raid warden will take the matter up with him. If he refuses to comply there are stiff penalties for violators of the proclamation. The constituted authorities will take care of violations.

ANSWERS FOR MOTORISTS

Q. The proclamation provides a maximum of 250 beam candlepower for vehicular headlights in the dim-out zone, which is any area visible from the sea. What is the beam candlepower for the average automobile's regular headlights?
A. From 20,000 to 30,000 beam candlepower for both headlights.
Q. How will I know whether my automobile headlights are within the maximum 250 beam candlepower allowed?
A. You can have them tested at a headlight adjusting station.
Q. Is it safe to drive only with parking lights?
A. Yes, provided you are completely alert. You should always be able to stop within the distance which you can see ahead of your car. This means you must drive slowly. It means that both motorists and pedestrians must exercise the greatest of caution in the dim-out areas, those districts which are visible from the sea.
Q. Does the proclamation mean that we have to drive with parking lights with a 250 beam candlepower in the entire Zone of Restricted Lighting?
A. No. The proclamation only restricts the intensity of headlights in the present dim-out areas, which are those districts which are visible from the sea. It does require that such reduced headlight intensity shall be used in those areas when traveling not only toward the sea, along the sea, but also away from the sea.
Q. Are rear lights prohibited by the proclamation in the dim-out areas?
A. No. The proclamation does not restrict the use of normal rear lights, including the tail lights, stop lights and license plate lights anywhere. Clearance lights on commercial vehicles are also permitted.
Q. I live in a dim-out area adjacent to the sea and it is necessary that I frequently drive inside the restricted area after dark. How do I go about getting my headlights fixed so that I can have advantage of the maximum amount of driving light allowed?
A. Suggest you go to the nearest headlight adjusting station. They have methods of revising your present headlights to meet the requirements.
Q. How will I know when I am driving in a dim-out area and must use reduced headlights?
A. Those areas will be posted in the near future. When you enter the zone it is required that your headlights be reduced. Another sign will be placed at the end of the zone and at that point regular head light intensity can be resumed.

James C. Healey Seeks Justice Post

In presenting his candidacy for justice of the peace of the first township, James C. Healey points to the qualifications which are required by the office.

"With a full knowledge of these requirements," Healey said in asking support of county voters, "I believe they are possessed in no small degree by myself.

"First, a sound legal education and knowledge and application of legal principles to the problems that may be presented, is absolutely necessary.

"Second, a human understanding and considerate, courteous attitude toward those who may become involved in a court of law is required, regardless of the type of issue that may be presented.

"Third, just plain, everyday 'common sense', and its use coupled and consistent with sound legal rules that may or must be applied at the time, is necessary."

Healey obtained his legal training at Stanford University law school, and he has practiced law for seventeen years, mainly in San Mateo county. He is a world war veteran, having served overseas for more than thirteen months. He is, at the present time, engaged in a varied number of defense activities.

"In consideration of these qualifications," Healey said "I do not hesitate at this time to solicit and ask your support in the coming primary election."

Attorney General

Robert W. Kenny

U. S. Webb, who for 36 years served as attorney general of California, has endorsed the candidacy of Senator Robert W. Kenny for that post.

Kenny's election was urged by Webb, a Republican, on a nonpartisan basis. Senator Kenny seeks both the Democratic and Republican nominations.

General Webb's statement follows, in part:

"Having served as Attorney General of this State during nine terms, it may reasonably be assumed that I am very much interested in the future incumbency of that office.

"I took the office out of politics and kept it out, made it the law department of the State, rendering service to its various officers and its people, wholly without regard to political consideration.

"Holding these views, I have examined the field, with the result that it is my belief that Senator Robert W. Kenny measures up to the requirements.

"If elected to that office, he will ably and unselfishly discharge not only its peacetime duties, but will with judgment and discretion meet the added wartime responsibilities."

The Spirit of '42

1. THE SPIRIT OF SACRIFICE, GIVING, WORKING, SAVING, HELPING, COOPERATING

● These are the qualities of the "Spirit of '42"—the dynamic force that will lead this nation and its allies on to inevitable victory.

Every dollar invested in Bonds and Stamps—or deposited in a bank account—helps to finance the war effort.

Bank of America
NATIONAL TRUST AND SAVINGS ASSOCIATION
Member Federal Deposit Insurance Corporation

Daly City Lags In Drive For Metal

(Continued from Page 1)

so far," Crane commented, "yet I know this community is capable of supplying at the very least thirty or forty tons."

Quota for San Mateo county, set by national salvage officials, is eight thousand tons, and Theodore M. Lilienthal, county salvage chairman, joined Crane in urging Daly City people to get into the campaign and donate the scrap metal around their homes.

A sign, "Drop your Scrap and Lick the Jap", posted over the lot on Mission street designates the place for you to deposit your scrap. Two types of metal which are not to be deposited here are galvanized metal, such as hot water boilers, and tin cans. There is a separate drive for tin cans. These are picked up on street corners on the first and third Sundays.

If your scrap metal is too heavy or bulky for you to carry or transport in your car, call the Coca Cola Bottling company, Hemlock 7171, and they will send a truck to your home to pick up the heavy objects.

War Production Chief Donald Nelson declared that to keep the steel mills of America going at the pace required, seventeen million tons of scrap metal from American homes is needed in addition to other sources. Of this total, California must supply 482 thousand, San Mateo county, eight thousand.

That half a ton doesn't look very impressive, Daly City, let's get going!

AIR RAID WARDENS IN SECTOR 8

—Photo by Craig

Here are the men who guard the home front of sector 8 in the northern section of Daly City under the banner of the air raid warden division of civilian defense.

Most of these men have completed their basic training and are equipped with gas masks and helmets.

Left to right: Jack Samuelson, sector warden; William Freeman, Dick Grantham, Dick Svanni, Joe Carr, William Freeman, sr., Clayton Underhill, Chet Stratford, Hugh Smith jr., William Grantham, and Angeleo Barone.

Other wardens of this sector who are not pictured here are: Frank Robbin, Charles Knight, John Constantino, Gilbert De Guerre, and G. Constantino.

CHROMIUM AUTO TRIM

Chromium-plated parts on your car will last longer if wiped well with an oily rag, then polished with a clean dry cloth, states the California State Automobile association. During the war emergency, everything should be done to preserve vital metals.

Local Housewives Rally In Grease Drive

Supplying vital war material in the guise of waste fats and frypan grease to war production, housewives of this community have donated nearly 100 pounds of fat to each butcher shop in Daly City, it was reported after a survey, Monday.

When our source of foreign vegetable oils was cut off by enemy occupation of countries that supplied it, America was forced to rely on the housewife's material for her supply. This material is used in the production of war munitions and high explosives.

Remember, America needs all your waste fats and frypan grease. Take it to your butcher shop in a tin can, not a glass container. Keep the raw fat separate from the cooked fat.

Clive M. Saiz Attends Convention

Clive M. Saiz, instructor of U. S History at Jefferson Union high school, recently returned from the National Education Association convention, at Denver, Colorado.

He was a member of the delegate assembly made up of 1,200 official delegates, who were in charge of transacting the business of the organization. The national association has a membership of approximately 220,000.

General theme of the convention was "Education and the War Effort." Great emphasis was placed on education, as, and for defense, in a democracy, according to Saiz. Prominent leaders stressed the need of Federal aid for education in the needy states in order to equalize educational opportunities, he concluded.

Scores of well known speakers addressed the main sessions and many departmental meetings. Approximately six thousand teachers were in attendance.

Principal and Mrs James Ferguson, of the local high school, were also present.

While in Denver, Saiz addressed the members of the Exchange club in that city.

On his return from the convention, accompanied by Garner S. Stenhouse, he visited Portland, Oregon, before returning to Daly City.

Pocahontas To Be Chairman of Whist

Mrs. Cora Ray, newly installed pocahontas, will be chairman of the regular monthly whist of Tula Council No. 236, Degree of Pocahontas of the Improved Order of Red Men. The game has been scheduled for Wednesday evening, August 19, 8:30 p. m. at Eagles hall.

Assisting Mrs. Ray with the party arrangements will be various officers of the local council.

The group announces a cash first prize will be given along with many other lovely awards. The public is cordially invited to attend.

Mrs. Alice O'Brien has been chosen to represent the local group at the convention to be held in Watsonville, August 16-20.

El Carmelo Parlor To Be Host To County

El Carmelo Parlor No. 256. Native Sons of the Golden West, will be host to all San Mateo county parlors at the annual county-wide initiation. The affair is to take place, Tuesday evening, October 20.

Joining in the huge affair will be the following parlors: Half Moon Bay, Pescadero, Redwood City, and El Carmelo.

The huge ceremony is held once a year with the host parlor rotating annually. Members of the local parlor hope to welcome into their order the largest number of candidates in the county.

All members are urged to attend this gigantic ceremony.

N.D.G.W Schedule. August 19 Whist

Plans for the semi-annual officers' whist of El Carmelo Parlor No. 181, N. D. G. W., were near completion today, according to members. The party has been scheduled for Wednesday evening, August 19, at 8:30 p. m. at Masonic hall.

Miss Irma Zerga, second vice-president, will be chairman of the evening Other line officers will assist her with the whist arrangements.

The ladies announce a cash first prize will be given along with many other lovely awards. All are invited to attend.

August 21 Whist Benefits Colma Church

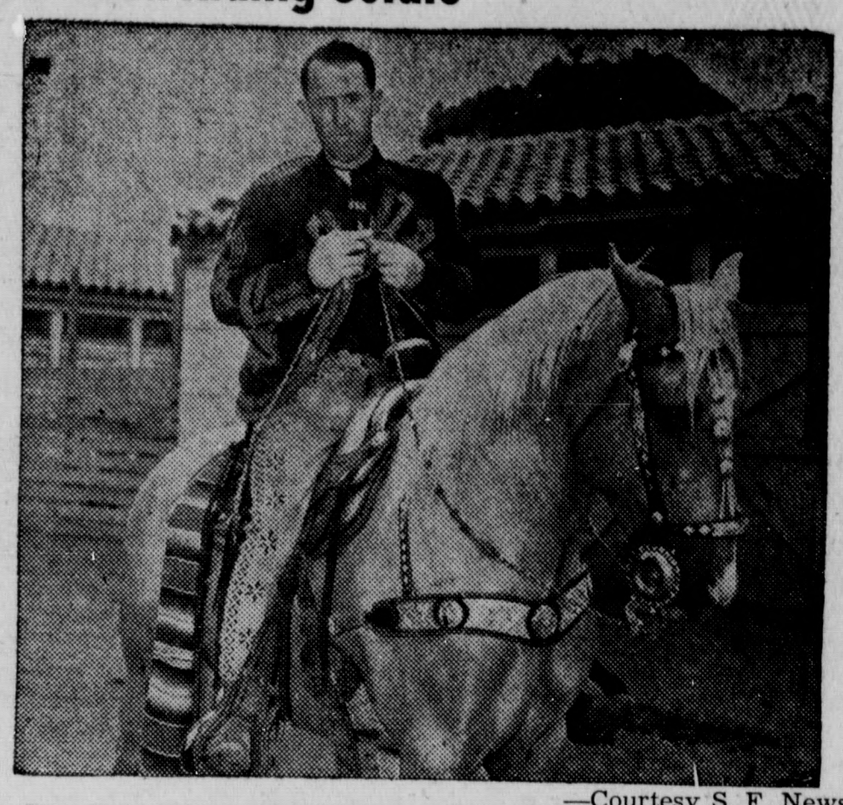
Ladies of Holy Angeles church, Colma, have completed plans for the benefit whist to be held Friday evening, August 21. Playing will begin at 8:30 p. m. at Parish hall.

Committee for the evening includes: Mrs. V. Epidendio, Mrs. Thomas Fahey, Mrs. John Lompa, Mrs John Podesta, Mrs. F. Perata, Mrs. Rose Matteucci, Miss Delphinia Puricelli and Miss Gloria Petroni.

The group announces many lovely prizes have been procured for the evening's event, and a cash first award will also be given.

Free refreshments and a social will be held following the card playing. Everyone is cordially invited to attend.

Ed Allen Riding Goldie



—Courtesy S. F. News

Parading before crowds at the Golden Gate Park polo grounds in the recent horse fiesta for San Francisco night club owners was Goldie, famous Palomino stallion pictured above with Owner Ed Allen, Daly City.

Allen is well known among horsemen of Northern California. He is an enthusiastic member of the San Mateo County Horsemen's association, and has entered his horses in numerous shows in other counties.

Renowned as the typical "golden horse of California," Goldie has appeared in many of these horse events. He has won nine ribbons, so far this year, in county fairs and horse shows in San Mateo, Napa, Santa Clara, and Livermore.

The Palomino stallion is fast becoming one of the most popular parade horses of the West.

Legion Installation Open to Public

The public has been cordially invited by members of Daly City Post No. 410, American Legion, to witness their semi-annual installation of officers. The affair will be held this evening at 8 p. m. at Legion hall.

The work will be put on by members of the degree team of San Mateo County Voiture No 393, 40 & 8 society.

Taking his place as commander of the post will be Emil Pahlka. His corps of officers include: Henry King, first vice-commander; Marall Smith, second vice-commander; Leslie Hill, adjutant; Felix Foreman, finance officer; William Lanigan, chaplain; John Matzek, sergeant-at-arms; Ed Trier, judge advocate.

Under the directions of a general committee, refreshments will be served.

Hillcrest Circle Honors Delegates

Mrs. Madeline Fellows and Mrs. Clara Poket were the honored guests at a meeting of Hillcrest Circle No 143, U.A.O.D., Monday evening. Mrs. Fellows and Mrs. Poket were the two delegates to the Grand Session in Sacramento, held during the month of July.

A group of new candidates were initiated into the circle. The local floor team, under the direction of Mrs. Fellows, put on the work for the group.

At the close of the ceremony refreshments were served and a social enjoyed by members and friends. Theme for the evening was "Victory"

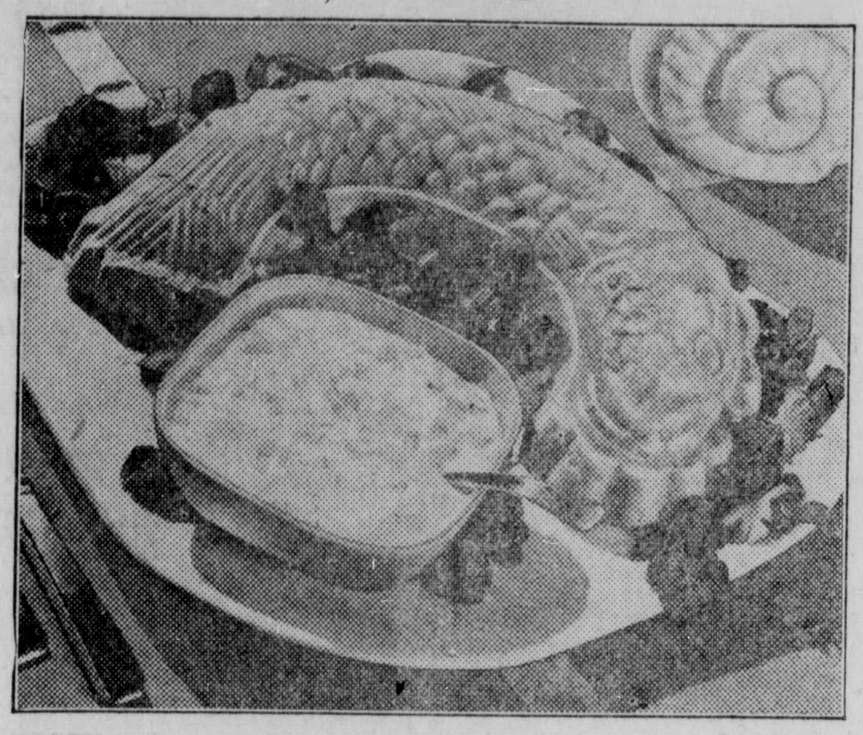
Miss Matilda Farbar, Mrs. Eleanor Watson, and Mrs. Violet Hauptli were in charge of the evening.

Adolph, Benito and Hirohito —the three blind mice. Make them run with ten percent of your income in War Bonds every pay day.

Salmon Jellied in TOMATO JUICE

is refreshing, vitamin-rich dish

Dorothy Greig



KEEN of flavor, coolly refreshing —that's our salmon dish. It's rich in vitamin C, thanks to its tomato juice. And the salmon itself is a hearty protein food. For dinner, precede it with a favorite hot soup, such as chicken, to supply the one hot dish every meal should have. Follow with a simple fruit dessert, and you have a meal that's easy to prepare, nutritionally sound, and delicious to eat.

Mix the salmon dish early in the day and park it in the refrigerator to chill until you're ready to whisk it on the table.

1 can tomato juice (14 oz.)
4 teaspoons gelatine (softened in ¼ cup cold water)
1 can (1 lb.) salmon
2 tablespoons lemon juice
½ teaspoon salt
Pinch white pepper
¾ cup salad dressing or mayonnaise

Sprinkle the 4 teaspoons of gelatine on the cold water and let stand for five minutes. Heat the tomato juice and when hot pour over the softened gelatine and stir until dissolved. Cool.

Remove all bones and dark skin from the salmon and flake; then add lemon juice, salt and pepper. When tomato juice and gelatine begins to thicken, fold in the flaked, seasoned salmon and salad dressing. Pour into a mold which has been rinsed with cold water. Place in refrigerator and chill until firm. Unmold and garnish with crisp lettuce, watercress, chicory, radishes, etc. Serve with Cucumber Cream Dressing. Serves 8.

Cucumber Cream Dressing

1 cup salad dressing or mayonnaise
½ cup whipped cream
½ teaspoon salt
2 teaspoons onion, finely chopped
1 cucumber, chopped
2 tablespoons parsley or watercress, chopped

Peel the cucumber and cut or chop into small pieces; then drain. Fold the whipped cream into the mayonnaise; then add the salt. finely chopped onion, chopped cucumber and chopped parsley or watercress. Makes 2 cups.

McGraw's Install Beauty Bar

When a lady now enters the door of McGraw Brothers Pharmacy, 6300 Mission street, the first thing that takes her eye is the Beauty Bar, new and attractice addition to the store's cosmetics department.

A new idea in the display of cosmetics, the Beauty Bar is one of the first of its kind installed in drug stores and pharmacies. The colorful lighted display shows the wide variety of powders, creams, perfumes, and other cosmetics stocked at McGraw Brothers

"Come in and see our Beauty Bar," invite McGraw Brothers to lady shoppers, "and choose your cosmetics from this display."

It's common sense to be thrifty. If you save you are thrifty. War Bonds help you to save and help to save America. Buy your ten per cent every pay day.

Pastorino's Infant Son Succumbs to Illness

Gary Pastorino, 17 month old son of Mr. and Mrs. Peter Pastorino, Daly City, succumbed, last Tuesday, after a short illness.

He is also survived by his grandmother, Mrs. Josephine Pastorino.

Funeral services were held, last Thursday afternoon at 1:30 p. m. from W C. Lasswell company chapel. Interment was at Holy Cross cemetery.

Notice of Intention to Engage in the Sale of Alcoholic Beverages

Aug. 13, 1942.

To Whom It May Concern:

Notice is hereby given that fifteen days after the above date, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Gilmore's Inn, 6456 Mission Street, Daly City, Calif.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance of an alcoholic beverage license (or licenses) for these premises as follows:

On sale, beer and wine; on sale distilled spirits.

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law.

The premises are now licensed for the sale of Alcoholic Beverages.

SAFEWAY Homemakers' Guide

★ *Safeway week-end prices now good—Tuesday through Saturday* ★ *Hints and suggestions for box lunches* ★ *A shopping lesson from a girl named Nora*

Is your family really well fed?

If you follow the 3 Golden Rules of Nutrition then your family *is* well fed. These rules are discussed in lesson No. 1 of the 10-lesson "Kitchen Course in Nutrition"—an easy, workable course-by-mail. Send name and address and 25c for the entire course to Julia Lee Wright, Box 660-CC, Oakland, California.

Looking for ways to make box lunches more interesting?

More than ever, it is imperative that the meals you serve your family be appetizing, filling, and up to nutritional standards. And that goes for a box lunch as well as any other meal of the day. In many cases (war workers on night shifts, for instance) the box lunch is the most important meal of the day. And it must not only be appetizing and nutritious, it must be planned and packed to stay attractive for hours after it's been prepared.

So don't use *less* of your menu-planning ingenuity on box lunches—use *more.*

Here are a few hints and a few menus, planned and tested by the Safeway Homemakers' Bureau, that might help you in your planning.

Use the best equipment available. Be sure the tops to all jars and bottles fit perfectly. Use plenty of wax paper.

Vary the bread for sandwiches. Use the more uncommon types of bread once in a while—pumpernickel, raisin, nut bread, sesame seed, etc.

Use lots of butter. This helps keep sandwiches from drying out.

SHIPYARD WORKER'S LUNCH

2 Cold Pot Roast Sandwiches on Enriched White Bread with Pickle Relish or Chili Sauce
2 Sliced American Cheese Sandwiches on Pumpernickel Bread
Container of Cole Slaw
Potato Chips
Apricot Turnover
Thermos of Milk or Coffee

FACTORY WORKER'S LUNCH

2 Minced Ham and Deviled Egg Sandwiches on Enriched White Bread
2 Peanut Butter and Honey Sandwiches on Whole Wheat Bread
Container of Fruit Salad
Gingerbread Cup Cakes
Candy Bar
Thermos of Coffee or Lemonade

DESK WORKER'S LUNCH

Thermos of Hot Tomato Juice
Cold Sliced Meat Loaf Sandwich on Enriched White Bread
Grated Carrot and Raisin Salad Sandwich on Whole Wheat Bread
Pickles
Container of Crushed Berries in Soft Custard
Drop Cookies

"Heavenly Pickles"

That's the name of an article in this week's Family Circle that we recommend you read. It's all about quick-process pickles and spiced fruits. Lots of recipes. Family Circle is out every Thursday—*free* at Safeway.

Safeway Homemakers' Bureau
JULIA LEE WRIGHT, Director

EVERY DAY IS DAIRY DAY

Take a tip from nature . . . get the health building elements you need the natural way—the Dairy Food way. Fresh Dairy products in some form should be eaten in abundance daily. Safeway's "rapid fire" delivery system plus rigid turnover control guarantees absolute Freshness of all dairy products.

POLITICS

(Editor's Note—Here are more stories about the men who are seeking your support at the polls, August 25. The Record is following its traditional policy of presenting news of ALL the candidates. The Record feels that the final decision is up to the voters. It only urges that you consider the qualifications of all the candidates and then be sure to cast your vote.)

Executive

Frederick Peterson

"Our money must be carefully spent," is the keynote of incumbent County Executive Frederick Peterson's campaign for re-election. With imperative sacrifice and saving necessary on a national scale for a supreme victory effort, Peterson this week reiterated his strong stand for economy and business conduct in county governmental affairs.

That Peterson has saved the taxpayers' money, that he has conducted the office of county executive on a strict business basis is proven in the fact that San Mateo county has the second lowest per capita cost of government in the state—and the lowest per capita cost among counties of comparable size and population.

Peterson pledges the voters that if he is returned to office he will continue his policies of economy and efficiency. Back of his current successful term as county executive Peterson has a long record of public service including two terms in the California State assembly (1931-33 and 1933-35), Burlingame City councilman (1927-31), first president of the Burlingame Chamber of Commerce and first commander of the Burlingame Post No. 1635, American Legion.

Prior to 1938 the county executive and purchasing agent was appointed by the board of supervisors. In that year the office was changed to an elective status, and Peterson was the first executive elected by popular vote. As an elective position the office helps to maintain the democratic policies of checks and balances in governmental functions, and Peterson declared that in running for re-election he would continue to act independently in the interests of San Mateo county citizens and taxpayers to whom he is directly responsible.

H. H. Smith Sr.

Many and varied successful busines experiences and nearly a quarter of a century of public life have qualified Candidate H. H. Smith sr. for the office of San Mateo County Executive, declared supporters of Smith this week as they swung into an all-out campaign for his election.

Smith's business activities have included banking, farming, stock raising, retail lumber, management of the world's largest auto court and other activities. In public life he has served as mayor of Daly City, chairman of the board of fire commissioners, member of San Mateo County Social Service commission, member of San Mateo County Planning commission, and chairman of the board of supervisors.

As the Redwood City Star-Advertiser put it in an editorial, July 31—"Mr. Smith has shown in his nearly quarter century of public life—18 years as mayor of Daly City, 4 years as county supervisor—that he can apply to public affairs the lessons he has learned in business.

County Controller

A. T. Hasbrouck

A. T. Hasbrouck, candidate for San Mateo County Controller, is seeking election on the well-founded qualifications of practical experience and proven efficiency.

For the past eighteen years Hasbrouck has been a resident of San Mateo county. He has served for twelve years as the city treasurer of Belmont and eight years as secretary of the Belmont Fire district. Prior to coming to the Peninsula, Hasbrouck served eight years in the accounting department of the school department in the City of Oakland, and was for eight years deputy county clerk of Alameda county.

Hasbrouck is active here in social and civic affairs. He is secretary of the San Carlos Lions club.

In his campaign for controller, Hasbrouck asks support on the basis that he is thoroughly qualified and capable of handling well the responsibilities of that office.

Governor

Earl Warren

As the second step in a broad program of economy and tax reduction which he plans to inaugurate as Governor, Attorney General Earl Warren announced, this week, that if elected he will seek immediate action by the Legislature to have the State take over the counties' share of old age pension costs, thereby enabling the counties to reduce property tax rates an average of 24 cents per $100 of assessed valuation.

This phase of his program, Warren said, would make possbile a tax saving of more than $17,000,000 a year for California homeowners, farmers and other common property taxpayers.

In his first tax reduction statement several days ago, Attorney General Warren announced that he favored immediate repeal of the State Personal Income Tax. The saving to income taxpayers—roughly $20,000,000 a year—coupled with the $17,000,000 slash in property taxes proposed in this statement today would make possible a total tax reduction of $37,000,000 a year.

Tax Collector

Qualified by Experience and Training

Tax Collector

John W. Poole

John W. Poole is conducting a clean, open, above-board campaign for the office of tax collector. He is not assailing any candidate; nor is he using a whispering type of vote-getting argument. He would have no need to do this, even if he desired, for his public record itself should assure him election.

He has been faithful to his trust as Supervisor in the Third township. He was appointed by Governor Young, March 21, 1927, was elected by the people in 1928, and has been re-elected each four years since, with substantial majorities because of his accomplishments.

Upholding progress consistent with economy, Supervisor Poole has worked for many projects for San Mateo county that have since proved to have been wise investments.

The courthouse annexes, paid for even before they were built, are examples of the foresight possessed by this conscientious official. San Mateo Point at San Mateo, which before the August 25 election will have become a half million dollar basic maritime training academy, is another. So is Canyon sanitorium, recently praised by the grand jury as a project which "is proving itself a very desirable adjunct to the county health department."

All of these worth-while projects have been achieved with economy, so that San Mateo county had the second lowest per capita governmental cost in California last year, based on the 1940 census. With the new low tax rate this year, this county may have the lowest per capita cost in the state.

It is no wonder that John W. Poole stands proudly on his record, and points out that the 15 years' continuous experience he has had as supervisor, along with more than 30 years in business and 28 years as a Redwood City School trustee, qualify him to fill capably the position he now seeks.

Poole was born in San Mateo county, and has lived here all his life. He "came up the hard way," having to work from the time he was a youth, but by determination and ability has achieved an enviable position in San Mateo county. He knows this county—its people, its habits, its likes, its dislikes.

"Your support and vote will put in the County Tax Collector's office a capable, conscientious, honest, hard-working man to guard carefully your interests in this important position," his supporters say.

Assemblyman

Harry F. Morrison

Pointing with pride to many endorsements from Organized Labor groups in San Mateo county, Harry F. Morrison appealed to all fair-minded citizens to support him in his campaign for election as State Assemblyman from San Mateo county.

Morrison has been endorsed by the San Mateo County Central Labor council, the San Mateo County Building and Construction Trades council, the Railroad Brotherhood unions in the county, and by many individual union organizations.

In his 16 years (8 terms) as an assemblyman, Harry Morrison rolled up an enviable record for fairness and impartiality. He retired from the assembly when his district was absorbed in a reapportionment.

Morrison has pledged himself to conduct his office as assemblyman as the people of San Mateo county want it conducted. He has promised a fair and impartial solution to all San Mateo county problems which confront the assembly.

"I am pleased to note that the Labor organizations feel that my former record is sufficient to merit their endorsement and support," Morrison said.

"In my 16 years in the Assembly I tried to vote always for the interest of the greatest number of persons involved. I will stand on this record."

JUSTICE OF THE PEACE

First Township of San Mateo County

PRIMARY ELECTION TUESDAY, AUGUST 25

Thirty-four years a resident of the First Township of San Mateo County.

Educated in Public Schools of San Mateo County and the University of San Francisco.

Over 10 years practicing law.

Six years with United States Courts as Office and Court Deputy Clerk.

Six years United States Supervising Conciliation Commissioner for the 41 Northern Counties of the State of California by appointment of United States District Judges.

Six months City Judge of Daly City.

Six months Acting Justice of the Peace for the First Township, by assignment of California Judicial Council.

County Controller

Thomas J. Kane

"Re-Elect Kane Controller" committees have been formed in virtually every community in San Mateo county, it was announced today by citizens backing Thomas J Kane in his campaign for re-election to the office he has held for the past four years as county controller.

"The complete re-organization of the county controller's office, which Kane has effected, the installation of new, modern bookkeeping machinery and scores of other improvements now make this office one of the most efficient auditing offices in the state of California," one member of the committee stated.

One of the points stressed is that any citizen can go to the controller's office at any time and learn the financial condition of any department or phase of county government on a minute's notice. Kane has at all times urged the public to visit his office and see the system in operation which has saved citizens and taxpayers thousands of dollars.

At the state convention of county auditors Kane was asked to have the entire system set up and demonstrated to auditors throughout the state.

Most recent achievement of the office was the origination of an accounting plan to make it possible for county employees to purchase United States War Bonds on the payroll deduction plan. San Mateo county was the first county in the state to put this plan into effect.

Kane is married and the father of four children. He is a veteran of World War I and is a member of Redwood City Post No 105, American Legion. Mrs. Kane also served her country as a nurse with the armed forces in the last war.

Kane's interest in civic affairs is well demonstrated by the fact that he served on a committee which brought 30,000 people to Redwood City to celebrate the opening of the Redwood City Port. He also organized the first Community Chest in Redwood City, and handled the ticket sale of the Peninsula Police Officers' association raising $12,000 for their Widow's and Orphans' Fund. These are but a few of his accomplishments in civic affairs.

FIRST AID CLASSES

First Aid classes scheduled to meet Thursday, August 13, to Wednesday, August 19, include:

THURSDAY, AUGUST 13

7-9 p. m.—
Wood's class, Advanced First Aid course, Company No. 1 firehouse, 188 Santa Barbara avenue.

MONDAY, AUGUST 17

7-9 p. m.—
King's class, Legion hall.
Wood's class, Advanced First Aid course, Company No. 1 firehouse, 188 Santa Barbara avenue.

8-10 p. m.—
Robertson's class, Standard first aid, 89 Partridge lane.

TUESDAY, AUGUST 18

7:30 to 9:30 p. m.—
Meritt's class, Standard First Aid Course for Auxiliary Policemen, Company No. 1 firehouse, 188 Santa Barbara avenue.

8-10 p. m.—
Hick's class, 147 Mateo.

WEDNESDAY, AUGUST 19

7-9 p. m.—
Hick's class, Colma Community Center.

Veteran Firemen Take In New Member

After serving as a fireman of this city for the required time, D. Rigler was made a new member of the Daly City Veteran Firemen's association at its regular meeting, Friday, at headquarters, 188 Santa Barbara avenue.

Guest at the meeting was Comrade Harry Anderson who entertained the members present with singing. Later he also led community singing.

Featuring the refreshments for the evening was a spaghetti dinner prepared by Comrade Past President P. Valenti, who was assisted by Comrade Chef J. Hesslein.

Tax Collector

William J. Feary

William J. (Bill) Feary of Burlingame opened his campaign for tax collector recently when he declared he had received pledges of support from every section of the county. Feary has been a resident of this county for 25 years, and has been engaged in the building supply business. For 20 years he managed a building material firm.

Feary announced he is seeking the tax collector's job on the basis of his record of civic business in the county.

"The office of tax collector for San Mateo County is an important one," Feary declared, "because the incumbent must be a trained executive capable of handling collections that total more than $4,000,000 a year. In addition his integrity and honesty must be above reproach, and I believe after 25 years in this county people are sufficiently well acquainted with my record to know that I can meet these qualifications.

"This campaign is an open fight, the present tax collector having decided to retire after many years of faithful and loyal service to the citizens of the county. I have never held public office, and I consented to seek this post upon the insistance of friends, familiar with my record of civic service.

"The people of this county can be assured if they select me to be their tax collector, I shall devote my full time and energy to the office."

News Of Local Democratic Activity

Peter J. Kelly and Frank W. Kent are candidates for the San Mateo Democratic Central County committee. Kelly, who is seeking re-election, has been for the last two years chairman of the committee. Kent, who has been for a number of years very active in campaign work in the Democratic party, is seeking election for the first time. His friends, who urged him to the step, believe he can be of more value to the party as an accredited member of the committee. Out of eight committeemen to be elected from the First district these are the only candidates from Daly City.

The Daly City Democratic club will hold its next regular meeting tonight at 8 p. m., August 13, at the home of Kent, 252 Los Banos avenue. Reports will be made on the campaigns of state and county candidates and plans perfected for the local campaign. All Daly City Democrats are invited to be present.

State Sup't.

Dr. Walter F. Dexter

The schools of California are nationally recognized as having no superior in organization, administration, or supervision. These high standards are due to years of fine leadership in the state, county, and district offices.

When the world is at war, it is imperative to retain in office qualified and experienced educators. Dr. Walter F. Dexter, State Superintendent of Public Instruction, has ably filled his post since February 1, 1937. Under his direction education has marched forward. Teachers in San Mateo county, parents, and those most intimately associated with the schools, urge the public to vote for Dr. Dexter at the August 25 primaries

Dr. Dexter holds the degrees of Master and Doctor of Education from Harvard university, Master of Arts from Columbia university, and is a graduate of Penn college with the degree of Bachelor of Arts.

As Superintendent of Public Instruction, Dexter is the head of elementary and secondary schools of the state and he is, by virtue of his office, the Director of Education. In this position he is responsible for the seven State colleges, the California Polytechnic School, the California School for the Blind and the California School for the Deaf. He is also a regent of the University of California and the executive officer of the California Maritime Academy.

Before going to Sacramento, Dexter was for eleven years president of Whittier college and prior to that time was head of the Department of Education at Earlham college in Richmond, Indiana; a teacher at Franklin college, and a lecturer at the University of Virginia.

Walter F. Dexter is qualified both by training and experience to retain his educational leadership in Californa.

Five Township Clubs of San Mateo County

Formerly First Township Clubs of San Mateo County

C. J. PETTIGREW, Sec-Treas.
47 Hillcrest Drive, Daly City

Organized in January 1934—For the purpose of educating the people to City and County Government, and to have them interest themselves in the welfare of their respective districts, to uphold and maintain the Constitution of the United States of America and to repulse anyone or any movement that is not American in its ideas; or to anyone or anything that will not give the people as a whole — A Square Deal.

August 5, 1942

Mr. Hugh H. Smith
200 - 27th Avenue
San Mateo, California

Dear Mr. Smith:

To help reactivate county government and to insure good administration, we, the Five Township Clubs of San Mateo County, in meeting assembled, unanimously endorse your candidacy for County Executive, and recommend your election to the people.

Because you are trained with skill and understanding of the business to be conducted, and know how to shape its destiny and direct it successfully to the taxpayers.

Because you are able to face a problem, think it through, search and analyze the condition, find the correct solution, and apply the necessary remedy to clear the obstacles involved.

Because you are interested in bringing the many branches of our government together for a common end, effective and harmonious, a policy vitally needed now, And,

Because you will visualize and clarify for the people, and in practical form reveal to them, our county government as a whole, its scope including the greatest good to the greatest number.

Wishing you every success in the coming election, we assure you, our wholehearted cooperation and support.

Respectfully yours,

"The Wife Takes A Flyer" Opens Here

Joan Bennett and Franchot Tone, comedy co-stars of the love-and-laugh hit, "She Knew All the Answers," again join forces with director Richard Wallace in Columbia's hectic new funfest, "The Wife Takes a Flyer," which opens tonight at the Daly City theatre. Miss Bennett is the "wife of the title; Tone the flyer.

"The Wife Takes a Flyer" is reported by Hollywood to be an intrigue-laden, action-filled romantic comedy, with emphasis upon the latter. Comedy and romance are said to dominate this story of the Yankee daredevil in the R. A. F. who lands in Holland . . it is occupied territory and so are the arms of the little Dutch girl with whom he falls in love!

In order to escape the Gestapo, in order to delude the rather dim-witted Nazi Major who also is paying court to Miss Bennett, Tone poses as her soon-to-be-divorced husband. His antics make a mockery of the divorce court, although he almost does succeed in staying "married" to the girl. Having established himself as an eccentric, he manages—with the assistance of his "ex-wife"—to learn secrets of vital military import and to escape, with both "ex-wife" and secrets, to England.

In "She Knew All the Answers," Tone made his first essay towards broad comedy; in "The Wife Takes a Flyer," he is said to go completely and delightfully berserk. That there is method to his madness is attested to by the joyful reaction of preview audiences towards one phase of that "insanity"; Tone manages to keep the Nazis hopping by kicking them in the pants! A clear case of dreams come true, but effective!

Miss Bennett's comedic talents are well known; in "The Wife Takes a Flyer" she appears to perfection as the loveliest saboteur that ever led a lovelorn enemy into danger.

Legion Auxiliary Installs Officers

Installation of officers for Daly City Unit No. 410, American Legion auxiliary, was held at Legion hall, last Wednesday evening Mrs. Alice Reilly, out-going district president, acted as installing officer of the evening.

Members of the Twenty-sixth district ritualistic team assisted Mrs. Reilly with the rites. Mrs. Irene Signarowitz, newly-elected district president, was honorary sergeant-at-arms.

Taking their oath of office were: Mrs. Ann Welsh, president; Mrs. Kathleen Metzek, first vice-president; Mrs Leslie Hanson, second vice-president; Mrs. Catherine Foreman, secretary; Mrs. Vivian Pahlka, treasurer; Mrs. Marce Trier, chaplain; Mrs. Mary Crane, historian; Mrs. Augusta Strohmaier, sergeant - at - arms; Mrs. Margaret Kenney, marshal.

Following the installation ceremony the unit's new colors were dedicated by Mrs. Reilly She was assisted by Mrs. Dawn Andrews, district sergeant - at - arms, who acted as chaplain.

At the close of the evening the many guests and friends of the unit retired to the banquet hall where refreshments were served. Various members of the unit helped with the social.

Many lovely gifts were presented to the incoming and outgoing presidents. Other officers received gifts.

Mrs. Welsh, Mrs. Murphy and Mrs. Kenney were chosen to represent the local unit at convention in Los Angeles, August 17-20.

The regular executive board meeting, scheduled for Wednesday evening, August 19, has been cancelled.

Mr. and Mrs. Vincent J. Auello, Daly City, are being congratulated upon the birth of a daughter, July 27, in San Francisco.

Mr. and Mrs. Charles T. Christensen, are the proud parents of a daughter born, July 22, in San Francisco.

Stanley Daner, San Francisco, and **Lorraine Norton,** Daly City, were issued a marriage license in San Francisco, last week.

Mr. and Mrs. William J. Reed, Daly City, are being congratulated upon the birth of a son, July 28, in San Francisco.

AIR RAID WARDENS FOR SECTOR 4

—Photo By Craig

Wardens for Sector 4 include the men pictured above. A number of them have already completed their basic training. Special meetings of the group are held at the home of Sector Warden James T. Miller, 883 Hanover street.

Reading from left to right are: Frank Krieger, Arthur Andresen, Floyd Payne, Sector Warden James T. Miller, R. D. Coombs, Sam Parmisano, Frank R. Sampson, James Mullen—a visitor and not a warden for Sector 4, and James Kirby.

Mr. and Mrs. William Cassasa and daughters, **Hazel. Wilma,** and **Bea,** 263 Alexander avenue, and **Mr. and Mrs Angelo Cratti** and son, **Larry,** 600 Templeton avenue, attended a barbecue in the Santa Cruz mountains, Sunday.

Mrs. George Reandeau, 342 Wilits street, bookkeeping teacher at Jefferson Union high school, underwent a minor operation at St. Luke's hospital, last week. She is now convalesing at the home of her aunt, Venicia.

Lost and found columns of Tokio newspapers are crowded these days. Every time an American buys a War Bond, the Japs lose face. Buy your 10% every pay day.

Mrs. Marie Burton, director of the Daly City WPA Recreation department, has returned to her duties in the local office. She was injured, last week, in a San Francisco fire.

Rosenberg To Wed Sacramento Girl

The betrothal of Miss E. Rosalyn Cohen, Sacramento, to Ben G. Rosenberg, 876 Brunswick street, was revealed at a garden party, recently. The affair was held at the home of the future bride's uncle, Dr. M. Diamond, Piedmont.

Rosenberg, son of Mr. and Mrs. Samuel Rosenberg, is very well known in this community where he attended and graduated from both local grammar and high schools. He was a resident student of the University of California up until the time of his enlistment in the Army Air Corps.

At the University, Rosenberg was a member of the Zeta Beta Tau fraternity. Miss Cohen was a member of the younger social set of Sacramento and president of Auyudante Sorority there, and a pledge to Alpha Epsilon Phi Soroity at the university.

Over a hundred people were present to congratulate the young couple. Many lovely gifts were received by the honored guests.

Plans for the wedding have not yet been set as they depend upon army orders.

Mr. and Mrs. Robert D. Coombs, 77 Peoria street, are the proud parents of a son born, July 27, in San Francisco.

David McKee and **Emma Boskey,** both Daly City, were issued a marriage license in San Francisco, last week.

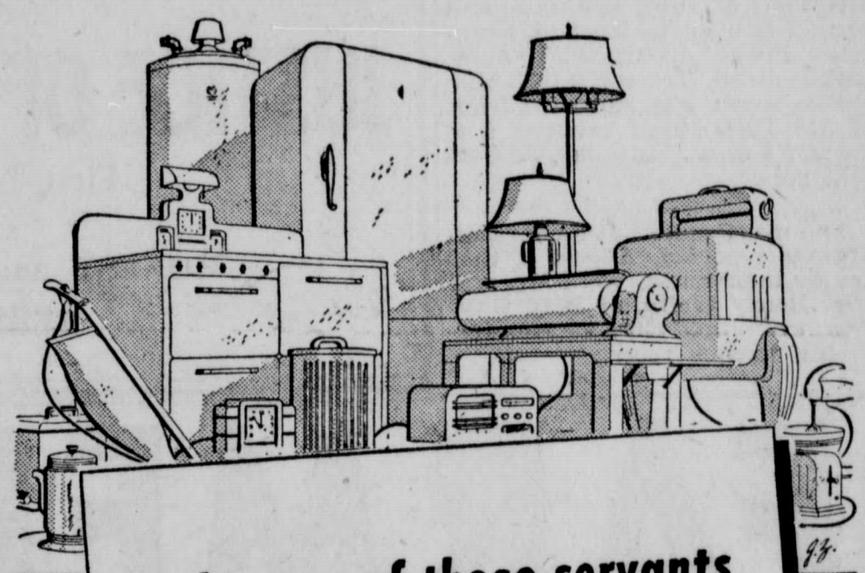
COUNTY CONTROLLER



Take care of these servants
...it's a wartime necessity

PROPER CARE OF YOUR APPLIANCES WILL SAVE WEAR

Clean your appliances frequently so that they will always be ship-shape for tip-top service. Remember when dirt and dust wear in, your appliances wear out. For example, empty the dust bag of your vacuum cleaner after each sweeping; clean out the crumbs in your toaster; wash the interior of your refrigerator after each defrosting; remove the soap scum and lint from your washer immediately after use and remove the dust film from lamp shades and fixtures. Do these simple little things regularly and your appliances will do more and last longer.

PROPER USE WILL SAVE REPAIR

Unintentional abuse of appliances leads to unnecessary repair or break down. Avoid letting your cleaner chew up nails or coins or hairpins. Be careful not to drop or jar appliances with heating elements. Do not overwork your washer by using too much water or overloading with too many clothes. Cook by accurate time and temperature control. Be careful to keep room temperatures down to the comfort level.

County Controller Predicts Rate Of $1.06

A county basic rate of $1.06 is predicted by Thomas J. Kane, county controller. The controller in an interview, this week, said, "The Taxpayers of San Mateo county are indeed fortunate to have as their public servants in county government men who are aware of the need of economy. This is borne out by the fact that all department heads stopped or curtailed unnecessary expenditures during the last six months of the last fiscal year, with the result that we are able to start the new fiscal year of 1942-1943 with an unencumbered balance on hand for general county purposes of $327,419.82. This figure is $139,866.85 dollars more than was on hand at the start of the previous fiscal year."

In speaking of revenue for the year 1942-1943, Kane said. "Although our total estimated revenue for the new fiscal year is $105,100.65 lower than it was last year, most of this reduction is reflected in the road department budget which does not affect the basic tax rate. The revenue affecting the general county tax rate is lower by $15,185.65. This reduction in revenue is more than offset by the substantial balance on hand, the increase in valuation of the county and the conscientious study and curtailment of all budget requirements by the department heads and the board of supervisors."

LOCAL MAN'S CAR STOLEN IN SAN FRANCISCO

James Seibert, 118 Peoria street, reported to Daly City police, Saturday, that his car was stolen in San Francisco.

Local police got a complete description of the machine and turned it over to the San Francisco Police department's automobile detail. The car, a 1933 blue Dodge sedan was stolen in front of 345 Turk street between 4 a. m. and 6 a. m., Saturday, Seibert told police.

The management at Richardson Springs reported, August 5, that among their guests were **Mr. and Mrs. Henry Wolfe,** of Daly City. The local couple were vacationing at the famous resort.

Mr. and Mrs. Bert C. McKenna, 412 Bellevue avenue, are the proud parents of a son born, July 30, in San Francisco.
